

For everyone to have a **POSITIVE** experience and enjoy **SUCCESS** while learning English, as a student, I promise I will...

1-show **RESPECT** : of myself, others, adults, school, material

2-put forth my **BEST EFFORT** :

to always try, to tackle challenges especially when I find it difficult, when I feel I don't understand anything; I will NOT abandon !!!

3-take full **RESPONSIBILITY** of my learning :

to come prepared, with all my material, to participate, to assume my mistakes

4-develop my **AUTONOMY** :

to look, listen and reflect; to work by myself as well as to cooperate, to use tools and skills

5-use **ORDER** :

"proper place, proper time, proper way" to avoid confusion; like in my duo-tang, in my classroom, on my sheets...

6-**BELIEVE** in myself :

to trust that I have potential, that I can do it, that I can do more than I think I can...
